Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The applicant's representative contacted the Examiner to conduct an After-Final interview discussing a draft amendment to the claims specifically with reference to the claimed recitation of "determining at least one allocated level for the measure" as claimed in claim 1. The Examiner pointed to the Egilsson et al. reference column 16, lines 13-30 as well as column 17, lines 42-46 in making the interpretation. The Examiner agreed that the applicant's representative amendment will overcome the Egilsson et al. reference.
